VISION & MISSION OF DFT

VISION

Our vision is to enable young minds with profound knowledge and technology to be globally responsible by creating skilled and blissful community

MISSION

To impart knowledge and technological skills in young minds with global standards To ignite environmental sensitivity. To indoctrinate right values and universal brotherhood. To incorporate student - centric and joyful learning

CAMPUS SUPERIOR

MESSAGE

Hard work is the foundation of success. Every effort you put in today builds a brighter future. Embrace challenges and stay dedicated, knowing that your persistence will pay off. Remember, the path to your dreams is paved with determination and resilience. Keep pushing forward—you have the power to achieve great things!

PRINCIPAL'S MESSAGE

Stay focused on your goals and remember that every effort counts. Challenges may arise, but each one is a chance to learn and grow. Believe in yourself and your abilities; you have what it takes to succeed. Keep striving, stay curious, and never underestimate the power of hard work and determination. Your future is bright!

KG DEPARTMENT

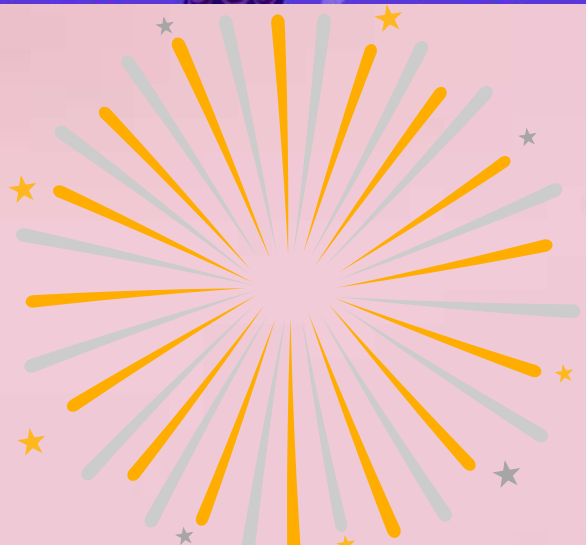

GAMES

ST. JOSEPH GLOBAL SCHOOL CBSE, PAMMAL
FLOWER MAGIC ACTIVITY
CLASS: L.K.G.
18.10.2024.

PRIMARY DEPARTMENT

ENGLISH ACTIVITY

Our Grade 1 students have engaged in a creative and educational project by making a model of a rainbow. Working on hands-on activities like this not only enhances their understanding of the colors of the rainbow but also promotes their cognitive and motor skills development.

By actively participating in creating a model of a rainbow, students are able to visually and kinesthetically experience the concepts being taught, which can lead to a deeper level of comprehension and retention. This type of interactive learning experience can also foster a sense of curiosity, exploration, and excitement about the subject matter, making the learning process more enjoyable and meaningful for the students.

MIDDLE COMPARTMENT

TAMIL ACTIVITY

GRADE VIII

Our Grade 8 students recently showcased their creativity by engaging in a sustainable art project utilizing waste materials. This initiative not only nurtured their artistic skills but also instilled in them a sense of responsibility towards the environment. By repurposing waste materials into beautiful crafts, the students learned valuable lessons about upcycling and resourcefulness.

HAPPY VIJAYADHASAMI
Admissions open

18, 6th Main Road, Anna Nagar, Pammal

pml@dmifoundations.org

The purpose of Vijayadashami admission, particularly in the context of schools and educational institutions, often revolves around several key themes:

- **New Beginnings:** Vijayadashami is considered an auspicious time to start new ventures, including education.
- **Cultural Significance:** The festival embodies the victory of good over evil and promotes the importance of knowledge and learning, aligning well with the values of education.
- **Encouraging Enthusiasm:** The festive atmosphere surrounding Vijayadashami can create excitement among new students and parents, making the admission process more memorable and positive.
- **Community Involvement:** Schools often host events and ceremonies during this time, fostering community spirit and encouraging parental engagement in their children's education.
- **Values and Morals:** By linking admissions to Vijayadashami, schools emphasize the importance of moral values, discipline, and character development as part of the educational journey.
- **Overall,** Vijayadashami admissions serve to celebrate tradition while welcoming new students into the educational community.

ST. JOSEPH GLOBAL SCHOOL PAMMAL

**Principal and
Coordinator
checking the
Summative
Assessment -1**

**PREKG - GRADE IX
27.9.24**

**EXAM
Day**

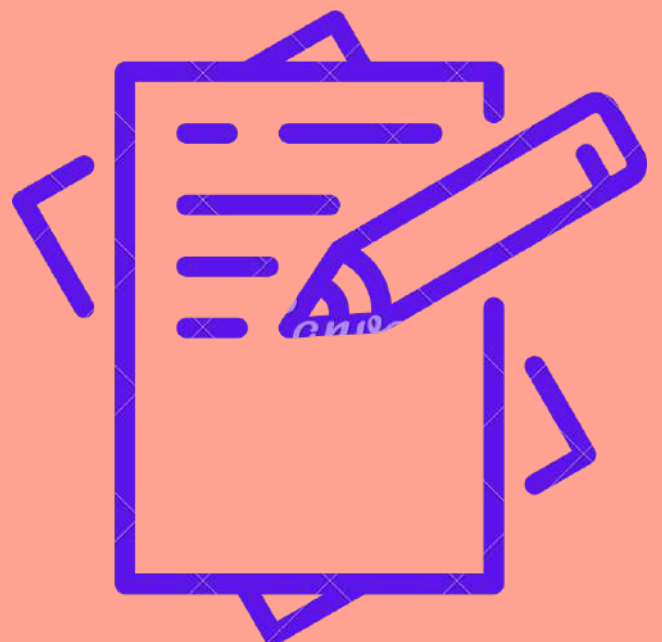

The Summative Assessment (SA-I) was conducted for students from Lower Kindergarten to 9th grade. This assessment period commenced on September 26, 2024, and concluded on October 9, 2024. The purpose of the SA -I is to gauge the academic progress and development of students across various subjects and curricular activities.

For students in grades 10 to 12, they participated in their quarterly examinations during the same period. These examinations are significant as they provide a comprehensive evaluation of the students' understanding and retention of the syllabus covered during the quarter.

The SA1 and quarterly examinations play a crucial role in assessing the students' knowledge, skills, and overall academic performance. These assessments help teachers and schools in identifying areas for improvement, enhancing learning strategies, and providing necessary support to students to excel in their academic journey.

Overall, both the SA1 and quarterly examinations are integral components of the education system that aim to promote continuous learning and overall development among students.

EXAM!

WELCOME
To

Parents teachers meetings was conducted on
19.10.24.

A parents-teachers meeting (PTM) is an opportunity for parents and educators to discuss a student's progress, address concerns, and collaborate on strategies for improvement. These meetings typically cover topics such as academic performance, social behavior, and any challenges the student may face. It's also a chance for parents to ask questions and learn more about the school's programs and expectations.

SEMINAR

CBSE TRAINING

Our Academic Coordinator Mr. Vijimon Iyyappan recently conducted a comprehensive training session on the Central Board of Secondary Education (CBSE) curriculum for our esteemed faculty members. This session aimed to update and enhance their knowledge and skills in implementing the CBSE guidelines effectively in our educational programs and practices.

SAFETY CHECKING DAY

Safety Day is essential for several reasons:

1. ***Awareness***: It raises awareness about safety issues, helping individuals recognize potential hazards in their environment.
2. ***Training***: Provides opportunities for hands-on training in emergency procedures, first aid, and proper equipment use.
3. ***Culture***: Fosters a safety culture within organizations or communities, encouraging proactive behavior and shared responsibility.
4. ***Reduction of Accidents***: By educating people on safety practices, it can lead to a reduction in accidents and injuries.
5. ***Compliance***: Helps ensure compliance with safety regulations and standards, reducing legal risks.

Overall, Safety Day plays a crucial role in promoting a safer environment for everyone.

CODING ASSESSMENT

GRADE-I

25.10.24

COUNSELLING

Counselling is a process that involves talking with a trained professional to address emotional, psychological, or behavioral issues. It provides a safe space to explore feelings, gain insights, and develop coping strategies. Counselors use various techniques to help clients improve their mental well-being, navigate life changes, or work through specific challenges such as anxiety, depression, relationships, or grief

TEACHER'S MEETING

Autumn October 🍂🍂🍂

🌸 October is the month
When the smallest breeze
Give us a shower of
Autumn leaves 🍂🍂🍂🍂

Bonfires and pumpkins 🎃🎃
Leaves sailing down 🍃🍃
October is red ●●
And Golden and ●●

October leaves are lovely
They rustle when I run
Sometimes I make a heap
And jump in them for fun

Autumn leaves float quietly down 🍃🍃
And form a carpet on the ground 📖
But when those leaves 🍂 are stepped upon
Listen for the cracking sound 🌟🌟

Deepavali: Celebrate with Care and Joy"

Dear Students,

As we approach the joyous festival of Deepavali, a time for celebration, light, and togetherness, it's important to remember that safety should be at the heart of our festivities. Let's make this Deepavali safe and enjoyable for all.

Fireworks Safety: Ensure fireworks are handled by adults, lit in open spaces, and kept away from flammable materials. Wear cotton clothing, and keep a bucket of water or a fire extinguisher nearby for emergencies.

Eco-Friendly Choices: Opt for eco-friendly fireworks or no-sound crackers to reduce noise and air pollution, making it safer for pets, the elderly, and the environment.

Candle and Diya Safety: Place candles and diyas away from curtains or flammable items. Keep children supervised when lighting them.

Health Precautions: If you're using fireworks, wear masks to protect against smoke and fumes. It's also a good idea to maintain hygiene and follow necessary health protocols when gathering in groups.

HAPPY DIWALI

Mrs.S.VIJAYALAKSHMI

PRIMARY COORDINATOR

YOU CAN

You can do if you dream

You can get if you try

You can succeed if you believe

You can rise if you stand tall

You can conquer if you persevere

You can grow if you nurture

You can shine if you let yourself glow

You can build if you lay each brick

You can soar if you dare to go!

You can achieve if you give your all!
